

WWR DEE at Llangollen 2022 GB WWR Classic, Sprint & Team Race

British Canoeing (BC) Wild Water Racing (WWR) National Series Classic and Sprint Races will take place on the River Dee in Llangollen, Denbighshire over the 20th and 21st November 2022.

Entry Fees £15 adults £2.50 late entry fee.

Entries in advance via the website

www.wildwater.org.uk

Late entries on the day will be accepted

CLASSIC AND SPRINT COURSE

There is to be no canoeing above the Horseshoe Falls or above the point between the two pump houses below the falls. This is to prevent disturbance to migrating fish.

The WWR National Classic course will run from below Horseshoe Falls, The Race Start will be from the Pump house on the canal side just below the Horseshoe falls through the Serpents Tail to just above Town Falls River Right and will be clearly marked. The course is grade II -III in normal conditions but rising to grade III -IV in spate.

The WWR National Series Sprint race will be from just below the Chain Bridge River Right finishing just below the Serpent's Tail.

There will be no paddling over Town Falls as safety cover is not provided and the riverbed has been assessed as unsafe.

ACCESS

There is limited parking at the race start and competitors should park in one of the 2 car parks above the Chain Bridge Hotel. Under no circumstances should competitors park at the Chain Bridge Hotel unless they are accommodated at the hotel. Alternatively, competitors can park in any of the public car-parks in town and paddle up the canal to the race start.

Parking at the finish of the classic course is limited and we recommend using the most convenient of the many public car parks available in Llangollen.

SAFETY

The race will be run according to WWR rules. All competitors must wear a buoyancy aid, helmet suitable footwear and have airbags fitted in their boat. No safety cover will be provided so all competitors are responsible for their own safety.
