

SOUTHERN BOAT SERIES (SBS)
CANOE RACE WINNERS
2018/19 WWR SEASON
Do You Dare Paddle The Wild Side?

“Maximising potential, opportunities, excitement and fun: Paddle the wild side”

If you have a canoe or kayak why not come along and see how you do

The SBS is a regional series of up to ten races held in Hampshire and Dorset as part of the Great Britain Wild Water Racing (WWR) calendar. The series due to local water suits more grass root paddling. Even though we don't have true white water, conditions can get bumpy when the wind and tide clash.

The core aims of the races are to introduce paddlers to WWR boats and rules, instil safety and risk assessment needs, provide enjoyable racing within a competitive atmosphere and encourage paddlers to widen their paddling horizons into other paddle races and disciplines.

This year three races were cancelled due to dangerous wind forecasts, so whilst numbers racing reflected National trends they were lower than past years. However, over 14 different clubs with an age range of 10 to 81 competed across seven events.

Local organisations supported the events by use of facilities and included the River Hamble and Beaulieu River Harbour Masters,

Hamble Sea Scouts, YMCA Fairthorne Manor, River Hamble Country Park, RAFYC, Woodmill Activity Centre and Andark Diving shop, Bursledon. Kayley Hollands of <https://www.silverscalephotography.co.uk/> took some amazing photographs of some of the races and the SBS annual trophies.

The overall winners of the male and female WWR classes were both from Itchen Valley/The Sharks Canoe clubs:

Richard Davis Age 81

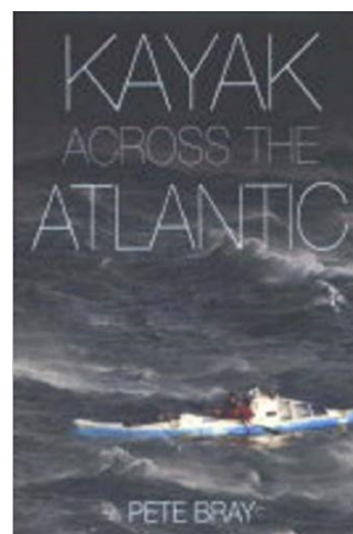

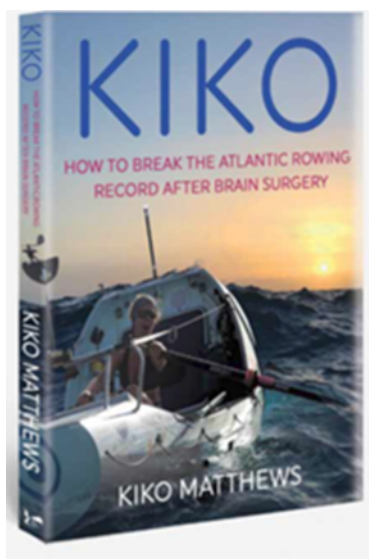

Susan Templeton Age 61

The Under 16 and Under 12 winners with the highest points male or female and getting a free adventure book plus medal were:

Sam Liddy The Sharks Under 16 winner (Book Kiko and medal) and Finlay Hampton Under 12 (Kayak the Atlantic book and medal) Hamble Sea Scouts

Sam Liddy bib 91 with 73 year old Danny Dalrymple

Both books kindly donated by Polperro Heritage Press. To order e-mail: admin@polperropress.co.uk Tel: 018868 12304
