

Selection for Senior World Cup Celje Slovenia 9th-11th June 2022

Target Event: Senior World Cup 9th-11th June 2022
Target Venue: Celje, Slovenia

Event and Venue Assessment:

Performance Level required for the Target Event has been designated: **Developing**

Developing - Athletes should demonstrate a commitment to perform at their best and show the desire to improve. Achievement of good results is not the primary aim but wider objectives such as improving skills and experience is expected. Achievement of adequate international standard results is expected – as a guide, to finish within 10% of the class winner's time.

The Risk Level of the Target Venue has been designated: **Low**

Low – The venue is unlikely to cause capsizes. Risk of loss or damage to equipment is low and risk of personal injury is unlikely. Paddlers wishing to attend a Low risk event competition will need to have a competence assessment of Developing or above.

Competence assessment required: **Developing**
